

WHO WE ARE

Clan Matheson New Zealand is part of a global network of people interested in Matheson family history and their Scottish heritage.

We aim to:

- foster an interest in Matheson heritage
- help people with Matheson heritage find out more about their family history and family stories
- forge links between people in New Zealand with Matheson heritage, and between them and kinsfolk in other countries.

Clan Matheson New Zealand is incorporated as a charitable trust and is a registered charity.

Our New Zealand organisation is a branch of the international Clan Matheson Society, and has been active since the 1980s.
